ICTELE 2027

Submission Guidelines | The 1st International Conference on Transforming English Language Education

Conference: 15 January 2027 (online via Zoom) **Website:** ictele.com

1. Registration and abstract submission

Presenter registration is completed online through the ICTELE registration system. Each presenter may submit **one paper**. An abstract in English must be uploaded **during presenter registration** as a DOCX file. The abstract must contain 150–250 words and 3–5 keywords. Co-authors may be listed with their institutional affiliations.

2. Important dates

- Abstract submission and registration: **5–30 November 2026**
- Notification of abstract acceptance: **10 December 2026**
- Full paper submission deadline: **10 January 2027**
- Conference day: **15 January 2027**

3. Full paper formatting

- English; 4,000–6,000 words, including references.
- A4 paper; 2.5 cm margins on all sides; single-column; justified paragraphs.
- Times New Roman 12 pt, 1.15 line spacing; paper title 14 pt bold, centered.
- Abstract: 150–250 words; 3–5 keywords.
- Use APA 7th edition for in-text citations and references, including clickable DOIs/URLs where available.
- Submit the completed full paper in Microsoft Word (.docx) format.

4. Permitted article structures

Empirical Research (quantitative, qualitative, or mixed methods)
1. Introduction; 2. Method; 3. Results; 4. Discussion; 5. Conclusion; References.

Systematic Literature Review
1. Introduction; 2. Method; 3. Results; 4. Discussion; 5. Conclusion; References. Describe search sources and strings, eligibility, screening, appraisal and synthesis. Include a PRISMA 2020 study-selection flow diagram.

There is **no separate Literature Review section**. Integrate relevant previous studies and theoretical context into the Introduction.

5. Data analysis transparency

Authors are **strongly encouraged** (but not required) to use appropriate analysis software: **SPSS** or equivalent software for quantitative analysis, and **NVivo, MAXQDA or DaisyQDA** for qualitative coding or thematic synthesis where appropriate. Describe procedures, analytical decisions and software versions if used. Software choice does not replace methodological rigor.

6. Review, ethics and publication

Abstracts are screened by the Scientific Committee. Full papers may be considered for the Best Paper awards, evaluated on manuscript quality only (100%) by **one assigned reviewer per paper**, with final validation by the Scientific Committee. Authors must submit original work, cite sources accurately, and disclose funding, conflicts of interest, ethics procedures and generative AI assistance where applicable.

Presenter fees include the ISBN proceedings publication pathway. Outstanding papers may be recommended to partner journals, subject to each journal's independent review, editorial policies and possible charges. Identical full papers must not be simultaneously published in the proceedings and a journal without a compliant publication policy.

7. Contact and submission

Download the appropriate template, prepare the manuscript and submit it through your presenter dashboard after abstract acceptance. For questions, contact **pbiunrika@ictele.com**.
